KEEPING
FLORAL
FRESH

SALES IN BLOOM

We supply a variety of fixtures to make your department pop, from nesting tables to round displays and even fixtures for your refrigerated cases. Our team knows how to make your departments look full and fresh throughout the day. We can manufacture with wood, metal and plastic so the possibilities are endless when it comes to design. Let us help you take your department to the next level of Fresh.

FLOOR FIXTURES

Nesting Tables & Tiered Fixtures

- Nesting tables allow for maximum flexibility for merchandising potted products as well as fresh cut. Expand and contract your offerings based on the season and programs.
- Tiered displays look great and make for very functional merchandisers within your department. Our tiered displays allow you to merchandise both potted and fresh cut products at the same time or on their own.

**REFRIDGERATED
CASE INSERTS**

Cooler Steps & Inserts

- Refrigerated case inserts present product to the customer in a way that makes the case look full at all times. These inserts come in a six or nine hole configuration and will fit in any style floral case.
- Our plastic step inserts are easy to clean and very functional. We provide these in a four foot and two foot option.

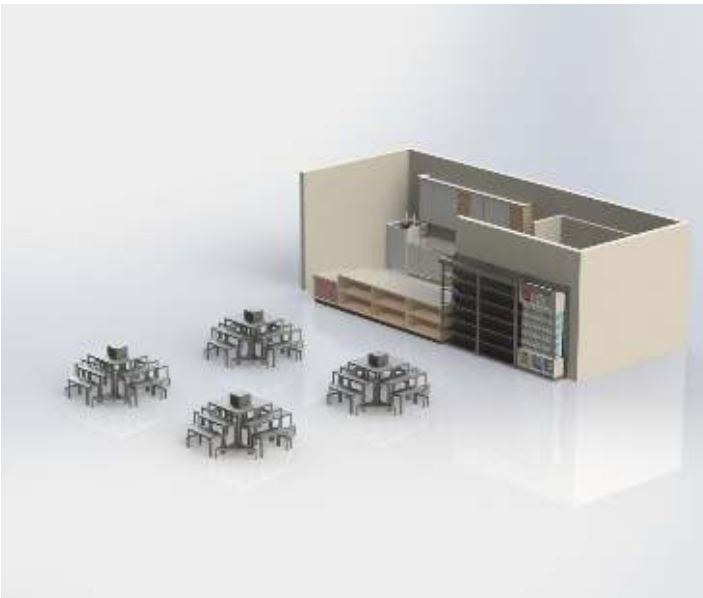

FULL DEPARTMENT SOLUTIONS

Full Department Solutions

- With our capabilities and knowledge we are able to offer complete department layouts including floor fixtures, point of purchase desks as well as back of house millwork. We can supply everything you need to build a successful department.
